BANGALORE DIVISION.

SALE OF MATERIALS CONTAINED IN OLD SANDAL KOTI BUILDING IN FORT, BANGALORE CITY.

Dated 19th June 1932.

The superstructure of the Building known as the Old Sandal Koti attached to which was the old Lac Depot and the compound wall around it, situated in Fort, Bangalore City, will be sold in public auction on the spot on 10th July 1932, commencing from 9 A.M. by the Executive Engineer, Bangalore Division, subject to the following conditions :—

1. The purchaser shall not have any right on the piece of land or site. The superstructure, *i.e.*, that portion of the building standing above ground and the foundation of the building will be sold and the purchaser shall have the right to dismantle the building and remove at his own cost the materials including the size stone in foundation, but except the debris which will be disposed in the manner provided below.

2. The purchaser should cart all debris from the site and deposit the same in the hallows in front of the Fort Rampart and level the ground at places to be indicated by the Executive Engineer and leave the site of the Sandal Koti quite tidy and clean, the cost thereof being met by the purchaser himself, *i.e.*, the debris has to be removed to any place within a radius of half a mile from the present building.

3. The intending bidders will be required to deposit a sum of Rs. 200 as earnest money and the deposit of the successful bidder will be taken as guarantee money for due fulfilment of the work and the deposits of other bidders returned at the close of the sale.

4. Power is reserved to the officer conducting the sale, subject to confirmation by the Chief Engineer to accept or reject any bid without assigning any reason therefor.

5. The purchase amount should be paid up in full immediately after the close of the sale, failing which, the right will be resold at the risk of the defaulting bidder. He will, however, not be eligible to participate in the event of a higher price by resale. He will be liable for the loss, if any, that may result by such resale which will be adjustable from his deposit amount. The purchaser will not be allowed to dismantle or remove the materials until he is permitted to do so in writing.

6. On receipt of permission in writing, the purchaser should proceed with the dismantling work. The work of dismantling, removing materials, levelling of the Fort moats and clearing site should be completed and the site handed over tidily within *fifteen days* from the date of receipt of the order by him.

7. No portion of the structure forming part of the Central Book Depot and the water connections to the Sandal Koti Building shall be dismantled or damaged in any manner while dismantling the Sandal Koti and the purchaser will have to make good any loss or damage that may be caused to other buildings in the neighbourhood.

N. G. KRISHNA IYENGAR,
Executive Engineer.

THE GOVERNMENT AYURVEDIC HOSPITAL AND THE PHARMACY, MYSORE.

FORM OF NOTICE CALLING FOR TENDERS FOR THE SUPPLY OF DRUGS AND ARTICLES OF FOOD TO THE IN-PATIENT AND THE PHARMACY SECTIONS ATTACHED TO THE GOVERNMENT AYURVEDIC HOSPITAL, MYSORE.

Dated 26th May 1932.

Notice is hereby given that sealed tenders will be received at the Office of the Superintendent, Government Ayurvedic Hospital and Pharmacy up to 25th June 1932, for the supply of drugs and articles of food for the year 1932-33, commencing from 1st of July 1932 as noted in the appended schedule. The annual quantities noted in the schedule are approximate and the successful tenderer will be required to supply more or less according to requirements.

2. No tenders will be received after the date abovementioned.

3. Tenders to be superscribed "Tender for the supply of drugs and articles of food to the Government Ayurvedic Pharmacy and the Hospital, Mysore, for the year 1932-33."

4. No tenders will be received unless accompanied by a deposit of Rs. 50 in cash or currency notes or treasury receipt.

5. The tenders will be opened by the Superintendent, Government Ayurvedic Hospital, Mysore, at his office on 16th June 1932, at 11 A.M. precisely in presence of such tenderers as may choose to attend.

6. The rate for each item must be specified in the list appended hereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the list are not guaranteed.

8. The deposit of the successful tenderer will be retained and will be forfeited to Government, if he fails to complete the contract within the time which will be specified in the intimation letter of acceptance of his tender.

9. No advance of cash will be made to the contractor; payments for the articles supplied will be made after the articles are received and on his producing necessary bill with vouchers.

10. The contract must not be sublet.

11. In case the contractor ceases to abide by the contract at any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

12. The successful tenderer should supply the required quantities in accordance with the indents received, which will be subject to alteration at any time up to the time of despatch.

13. The successful tenderer will be required to guarantee that none of the articles supplied are adulterated. Any supplies that are found unfit for use on account of any reason will be summarily rejected and must be removed by the tenderer at once.

14. Articles ordered should be of the best quality and fit to be used without any extra labour or wastage and should be delivered at the Hospital, free of all charges.

15. If the supplies are satisfactorily made during the year to which the contract relates, the continuance of the contract for a term of three years will be considered.

16. The Vice-President of the Government Ayurvedic and Unani College Committee does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

17. The decision of the Vice-President to be final in all questions relating to the contract.

18. A store-room will be made available to the contractor in which he can keep all non-perishable articles of which not less than one month's supply must always be in stock. Perishable articles such as vegetable, etc., must be at the Hospital at 7-30 A.M. daily. For the supply of milk, the cows to be milked on the premises should be ready at 6 A.M. and 5 P.M. every day. All articles except when mentioned otherwise, should be of the first sort cleaned and any articles rejected on account of inferiority should be promptly replaced by articles of the required quality or will be purchased by the Hospital authorities from outside and the charges debited to the contractor.
